PROXY STATEMENT
ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JUNE 25, 2013

This proxy statement (the "Proxy Statement") is being furnished to stockholders in connection with the solicitation of proxies by the Board of Directors of Rick's Cabaret International, Inc., a Texas corporation ("we," "us" and the "Company"), for their use at the Annual Meeting of Stockholders (the "Annual Meeting") to be held at 7501 N. Stemmons Freeway, Suite 140, Dallas, Texas 75247 (at Bombshells Restaurant & Bar), on Tuesday, June 25, 2013 at 10:00 AM (Central Time), and at any adjournments thereof, for the purpose of considering and voting upon the matters set forth in the accompanying Notice of Annual Meeting of Stockholders.

We have elected to furnish proxy materials and our Fiscal 2012 Annual Report on Form 10-K ("Annual Report") to many of our stockholders over the Internet pursuant to Securities and Exchange Commission ("SEC") rules, which should allow us to reduce costs. On or about May 15, 2013, we began mailing to most of our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice") containing instructions on how to access our Proxy Statement and Annual Report and how to vote online. All stockholders who have previously expressed a specific request to receive paper copies of proxy materials will be sent a copy of the Proxy Statement and Annual Report by mail beginning on or about May 15, 2013. The Notice also contains instructions on how you can elect to receive a printed copy of the Proxy Statement and Annual Report, if you only received a Notice by mail. **The Proxy Statement, Annual Report to security holders for the year ended September 30, 2012, proxy card and President's letter are available at www.proxyvote.com.** The cost of solicitation of proxies is being borne by us.

The close of business on May 2, 2013 has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. As of May 2, 2013, we had 9,454,944 shares of common stock, par value \$0.01 per share, issued and outstanding. The presence, in person or by proxy, of a majority of the outstanding shares of common stock on the record date is necessary to constitute a quorum at the Annual Meeting. Each share is entitled to one vote on all issues requiring a stockholder vote at the Annual Meeting. A plurality of the shares voted in person or represented by proxy at the Annual Meeting will elect as Directors the nominees named in Proposal Number 1. Stockholders may not cumulate their votes for the election of Directors. The affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting is required for the ratification of the appointment of Whitley Penn LLP as our independent registered public accounting firm (see Proposal Number 2). Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions and broker non-votes will not be counted as having voted either for or against a proposal.

All shares represented by properly executed proxies, unless such proxies previously have been revoked, will be voted at the Annual Meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted **(i) FOR THE ELECTION OF THE NOMINEES NAMED HEREIN, and (ii) FOR THE RATIFICATION OF WHITLEY PENN LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2013**. The Board of Directors is not aware of any other matters to be presented for action at the Annual Meeting. If any other matter is properly presented at the Annual Meeting, however, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on such matters.

Under the rules of the New York Stock Exchange ("NYSE"), brokers who hold shares in "street name" for customers are precluded from exercising voting discretion with respect to the approval of non-routine matters (so called "broker non-votes") where the beneficial owner has not given voting instructions. Because most large brokerage firms are NYSE member organizations, these rules affect almost all public companies and not just those listed on the NYSE. Effective July 1, 2009, the NYSE amended its rule regarding discretionary voting by brokers on uncontested elections of directors such that any investor who does not instruct the investor's broker on how to vote in an election of directors will cause the broker to be unable to vote that investor's shares on an election of directors. Previously, the broker could exercise its own discretion in determining how to vote the investor's shares even when the investor did not instruct the broker on how to vote. Accordingly, with respect to the election of directors (see Proposal Number 1), a broker is not entitled to vote the shares of common stock unless the beneficial owner has given instructions. With respect to the ratification of the appointment of Whitley Penn LLP as our independent registered public accounting firm (see Proposal Number 2), a broker will have discretionary authority to vote the shares of our stock if the beneficial owner has not given instructions.

The enclosed Proxy, even though executed and returned, may be revoked at any time prior to the voting of the Proxy (i) by execution and submission of a revised proxy, (ii) by written notice to our Secretary, or (iii) by voting in person at the Annual Meeting.

PROPOSAL 1
TO ELECT SIX (6) DIRECTORS FOR THE ENSUING YEAR

NOMINEES FOR DIRECTORS

The persons named in the enclosed Proxy have been selected by the Board of Directors to serve as proxies (the “Proxies”) and will vote the shares represented by valid proxies at the Annual Meeting of Stockholders and adjournments thereof. Unless otherwise instructed or unless authority to vote is withheld, the enclosed Proxy will be voted for the election of the nominees listed below. Each duly elected Director will hold office until his successor shall have been elected and qualified. Although the Board of Directors does not contemplate that any of the nominees will be unable to serve, if such a situation arises prior to the Annual Meeting, the persons named in the enclosed Proxy will vote for the election of such other person (s) as may be nominated by the Board of Directors.

The Board of Directors unanimously recommends a vote **FOR** the election of each of the nominees listed below. All of the nominees presently serve as Directors.

Eric S. Langan , age 44, has been a Director since 1998 and our President since March 1999. He has been involved in the adult entertainment business since 1989. From January 1997 through the present, he has held the position of President of XTC Cabaret, Inc. From November 1992 until January 1997, Mr. Langan was the President of Bathing Beauties, Inc. Since 1989, Mr. Langan has exercised managerial control over more than a dozen adult entertainment businesses. Through these activities, Mr. Langan has acquired the knowledge and skills necessary to successfully operate adult entertainment businesses.

Robert L. Watters , age 62, is our founder and has been our Director since inception. Mr. Watters was our President and our Chief Executive Officer from 1991 until March 1999. Mr. Watters practiced law as a solicitor in London, England and is qualified to practice law in New York. Mr. Watters worked in the international tax group of the accounting firm of Touche, Ross & Co. Mr. Jenkins is the President and owner of Pringle Jenkins & Associates, P.C. Mr. Jenkins has a BBA Degree (1979) from Texas A&M University. Mr. Jenkins is a member of the AICPA and the TSCPA. Mr. Jenkins' impressive accounting background makes him a valuable asset to the Board and the Audit Committee.

Luke Lirot, age 56, became a Director on July 31, 2007. Mr. Lirot received his law degree from the University of San Francisco in 1986. After serving as an intern in the San Francisco Public Defender's Office in 1986, Mr. Lirot returned to Florida and established a private law practice where he continues to practice and specializes in adult entertainment issues. He is a past President of the First Amendment Lawyers' Association and has actively participated in numerous state and federal legal matters. Mr. Lirot represents as counsel scores of individuals and entities within our industry. Having practiced in this area for over 25 years, he is aware of virtually every type of legal issue that can arise, making him an important member of the Board.

Nour-Dean Anakar, age 56, became a Director on September 14, 2010. Mr. Anakar has over 20 years of experience in senior positions in the development and management of betting and gaming, sports and entertainment, and hospitality and leisure operations in the United States, Europe, and Latin America. He received his BA in Management Science from Duke University and CHA in Hospitality Management from the Conrad Hilton College at the University of Houston. Mr. Anakar's experience managing and developing businesses in industries with similar characteristics to ours make him an excellent fit to the Board.

OUR DIRECTORS AND EXECUTIVE OFFICERS

Our directors are elected annually and hold office until the next annual meeting of our stockholders or until their successors are elected and qualified. Officers are elected annually and serve at the discretion of the Board of Directors. There is no family relationship between or among any of our directors and executive officers. Our Board of Directors consists of six persons. The following table sets forth our directors and executive officers:

Name	Age	Position
Eric S. Langan	44	Director and CEO/President
Phillip K. Marshall	63	Chief Financial Officer

Mr. Marshall is also a trustee of United Mortgage Trust and United Development Funding IV, publicly held real estate investment trusts.

RELATED TRANSACTIONS

Our Board of Directors has adopted a policy that our business affairs will be conducted in all respects by standards applicable to publicly held corporations and that we will not enter into any future transactions and/or loans between us and our officers, directors and 5% stockholders unless the terms are no less favorable than could be obtained from independent, third parties and will be approved by a majority of our independent and disinterested directors. We currently have four independent directors, Steven Jenkins, Nour-Dean Anakar, Luke Lirot and Robert Watters. We know of no related transactions for the years ended September 30, 2012 and 2011.

Review, Approval, or Ratification of Transactions

Currently, we rely on our Board of Directors to review related party transactions on an ongoing basis to prevent conflicts of interest. Our Board of Directors reviews a transaction in light of the affiliations of the director, officer, or employee and the affiliations of such person's immediate family. Our Board of Directors will approve or ratify a transaction if it determines that the transaction is consistent with our best interests and the best interests of our stockholders.

INFORMATION CONCERNING THE BOARD OF DIRECTORS AND ITS COMMITTEES

All directors are expected to make every effort to attend meetings of the Board of Directors, meetings of any Board Committees on which such director serves, and annual meetings of stockholders. The Board of Directors held six meetings during the fiscal year ended September 30, 2012. The Board of Directors also executed one consent to action in lieu of a meeting of the Board of Directors, which were approved unanimously. During the fiscal year ended September 30, 2012, none of our current directors attended fewer than 75 percent of the aggregate of (i) the total number of meetings of the Board of Directors held during the period for which he was a director, and (ii) the total number of meetings held by all committees of the Board on which he served during the periods that he served. Five of our six directors attended the prior year's annual meeting of stockholders. There is no family relationship between or among any of our directors and executive officers. We have four directors who meet the definition of "independent director" under the NASDAQ Marketplace rules.

Eric Langan serves as both Chairman of the Board of Directors and Chief Executive Officer. Of our four independent directors, no director has been designated "lead" independent director. Accordingly, all four independent directors have an equal role in the leadership of the Board. We believe that our overall leadership structure is appropriate based on our current size.

As a part of its oversight function, the Board of Directors monitors how management operates the company. Risk is an important part of deliberations at the Board and committee level throughout the year. Committees consider risks associated with their particular areas of responsibility. The Board of Directors as a whole considers risks affecting us. To that end, the Board conducts periodic reviews of corporate risk management policies and procedures. The Board and its committees consider, among other things, the relevant risks to us when granting authority to management and approving business strategies. Through this risk oversight process, the Board reserves the right to make changes to our leadership structure in the future if it deems such changes are appropriate and in the best interest of our stockholders.

AUDIT COMMITTEE

We have an Audit Committee whose current members are Steven Jenkins, Nour-Dean Anakar and Luke Lirot. Mr. Jenkins, Mr. Anakar and Mr. Lirot are independent directors. The primary purpose of the Audit Committee is to oversee our financial reporting process on behalf of the Board of Directors. The Audit Committee meets privately with our Chief Financial Officer and with our independent registered public accounting firm and evaluates the responses by the Chief Financial Officer both to the facts presented and to the judgments made by our outside independent registered public accounting firm. Steven L. Jenkins serves as the Audit Committee's Financial Expert. The Audit Committee held four meetings during the fiscal year ended September 30, 2012.

In May 2000, our Board adopted a Charter for the Audit Committee. A copy of the Audit Committee Charter can be found on our website at www.ricksinvestor.com. The Charter establishes the independence of our Audit Committee and sets forth the scope of the Audit Committee's duties. The purpose of the Audit Committee is to conduct continuing oversight of our financial affairs. The Audit Committee conducts an ongoing review of our financial reports and other financial information prior to their being filed with the SEC, or otherwise provided to the public. The Audit Committee also reviews our systems, methods and procedures of internal controls in the areas of: financial reporting, audits, treasury operations, corporate finance, managerial, financial and SEC accounting, compliance with law, and ethical conduct. A majority of the members of the Audit Committee will be independent. The Audit Committee is objective, and reviews and assesses the work of our independent registered public accounting firm and our internal audit department.

Report of the Audit Committee

The Audit Committee has reviewed and discussed with management our audited financial statements for the fiscal year ended September 30, 2012. The Audit Committee has discussed with Whitley Penn LLP, our independent registered public accounting firm (“Whitley Penn”), the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has received from Whitley Penn the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding Whitley Penn’s communications with the Audit Committee concerning independence, and has discussed with Whitley Penn the independence of Whitley Penn.

Based on the review and discussions referred to in the paragraph above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our annual report on Form 10-K for the fiscal year ended September 30, 2012. This report is furnished by the Audit Committee of our Board of Directors, whose members are:

Steven L. Jenkins
Luke Lirot
Nour-Dean Anakar

NOMINATING COMMITTEE

We have a Nominating Committee whose current members are Steven Jenkins, Nour-Dean Anakar and Luke Lirot. In July 2004, the Board unanimously adopted a Charter with regard to the process to be used for identifying and evaluating nominees for director. The Charter establishes the independence of our Nominating Committee and sets forth the scope of the Nominating Committee’s duties. A majority of the members of the Nominating Committee will be independent. Pursuant to its Charter, the Committee has the power and authority to consider Board nominees and proposals submitted by our stockholders and to establish any procedures, including procedures to facilitate stockholder communication with the Board of Directors, and to make any such disclosures required by applicable law in the course of exercising such authority. A copy of the Nominating Committee’s Charter can be found on our website at www.ricksinvestor.com. The Nominating Committee held one meeting during the fiscal year ended September 30, 2012.

Stockholders who wish to submit a proposal for consideration by the Nominating Committee must comply with Rule 14a-8 of Regulation 14A. For proposal deadlines, see “Future Proposals of Stockholders” below. Stockholder recommendations to the board of directors should be sent to 10959 Cutten Road, Houston, Texas 77066, Attn: President. Any stockholder recommendations for consideration by the Nominating Committee should include the candidate’s name, biographical information, information regarding any current or past relationships between the candidate and Rick’s Cabaret International, Inc., a description of our shares beneficially owned by the recommending stockholder, a description of all arrangements between the candidate and the recommending stockholder and any other person under which the candidate is being recommended, a written indication of the candidate’s willingness to serve on the Board of Directors, any other information required to be provided under securities laws and regulations, and a written indication to provide such other information as the Nominating Committee may reasonably request. All candidates, whether proposed by a stockholder or by any other means, will be evaluated based on the criteria established by the Board of Directors. Minimum criteria for non-employee candidates includes financial experience and “independence” as defined under applicable rules promulgated by the SEC pursuant to the Sarbanes-Oxley Act of 2002 and NASDAQ Listing Rules. Additional criteria may include: (a) satisfactory results of any background investigation; (b) experience and expertise; (c) financial resources; (d) time availability; (e) community involvement; (f) diversity of viewpoints, backgrounds, experiences and other demographics, and (g) such other criteria as the Nominating Committee may determine to be relevant.

COMPENSATION COMMITTEE

We have a Compensation Committee whose current members are Steven Jenkins, Nour-Dean Anakar and Luke Lirot. Eric S. Langan and Travis Reese are our only directors who are also officers. The primary purpose of the Compensation Committee is to evaluate and review the compensation of executive officers. The Compensation Committee does not have a written charter. The Compensation Committee held four meetings during the fiscal year ended September 30, 2012.

Compensation Committee Report

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis (see below) to be included in this Proxy Statement on Schedule 14A. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this report. This report is furnished by the Compensation Committee of our Board of Directors, whose members are:

Steven L. Jenkins
Luke Lirot
Nour-Dean Anakar

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised of Messrs. Jenkins, Lirot and Anakar. No interlocking relationship exists between any member of the Compensation Committee and any member of any other company's Board of Directors or compensation committee.

STOCKHOLDER COMMUNICATIONS

We do not currently have a process for security holders to send communications to the Board of Directors, which we believe is appropriate based on our size, the limited number of our stockholders and the limited number of communications which we receive. However, we welcome comments and questions from our stockholders. Stockholders can direct communications to our Chief Executive Officer, Eric Langan at our executive offices, 10959 Cutten Road, Houston, Texas 77066. While we appreciate all comments from stockholders, we may not be able to individually respond to all communications. We attempt to address stockholder questions and concerns in our press releases and documents filed with the SEC so that all stockholders have access to information about us at the same time. Mr. Langan collects and evaluates all stockholder communications. If the communication is directed to the Board of Directors generally or to a specific director, Mr. Langan will disseminate the communications to the appropriate party at the next scheduled Board of Directors meeting. If the communication requires a more urgent response, Mr. Langan will direct that communication to the appropriate executive officer or director. All communications addressed to our directors and executive officers will be reviewed by those parties unless the communication is clearly frivolous.

COMPENSATION DISCUSSION AND ANALYSIS

This compensation discussion and analysis describes the material elements of our compensation programs as they relate to our executive officers who are listed in the compensation tables appearing below. This compensation discussion and analysis focuses on the information contained in the following tables and related footnotes. The individuals who served as our Chief Executive Officer and Chief Financial Officer during fiscal 2012, as well as the other individuals included in the Summary Compensation Table, are referred to as the "named executive officers."

Overview of Compensation Committee Role and Responsibilities

The Compensation Committee of the Board of Directors oversees our compensation plans and policies, reviews and approves all decisions concerning the named executive officers' compensation, which may further be approved by the Board, and administers our stock option and equity plans, including reviewing and approving stock option grants and equity awards under the plans. The Compensation Committee's membership is determined by the Board and is composed entirely of independent directors.

Management plays a role in the compensation-setting process. The most significant aspects of management's role are to evaluate employee performance and recommend salary levels and equity compensation awards. Our Chief Executive Officer often makes recommendations to the Compensation Committee and the Board concerning compensation for other executive officers. Our Chief Executive Officer is a member of the Board but does not participate in Board decisions regarding any aspect of his own compensation. The Compensation Committee can retain independent advisors or consultants.

Compensation Committee Process

The Compensation Committee reviews executive compensation in connection with the evaluation and approval of an employment agreement, an increase in responsibilities or other factors. With respect to equity compensation awarded to other employees, the Compensation Committee or the Board grants stock options, often after receiving a recommendation from our Chief Executive Officer. The Compensation Committee also evaluates proposals for incentive and performance equity awards, and other compensation.

Compensation Philosophy

The Compensation Committee emphasizes the important link between our performance, which ultimately affects stockholder value, and the compensation of our executives. Therefore, the primary goal of our executive compensation policy is to try to align the interests of executive officers with the interests of stockholders. In order to achieve this goal, we attempt to, (i) offer compensation opportunities that attract and retain executives whose abilities and skills are critical to our long-term success and reward them for their efforts in ensuring our success, (ii) align our compensation programs with our long-term business strategies and objectives, and (iii) provide variable compensation opportunities that are directly linked to our performance and stockholder value, including an equity stake in the company. Our named executive officers' compensation utilizes two primary components — base salary and long-term equity compensation — to achieve these goals. Additionally, the Compensation Committee may award discretionary bonuses to certain executives based on the individual's contribution to the achievement of our strategic objectives.

Setting Executive Compensation

We fix executive base compensation at a level we believe enables us to hire and retain individuals in a competitive environment and to reward satisfactory individual performance and a satisfactory level of contribution to our overall business goals. We also take into account the compensation that is paid by companies that we believe to be our competitors and by other companies with which we believe we generally compete for executives.

In establishing compensation packages for executive officers, numerous factors are considered, including the particular executive's experience, expertise and performance, our company's overall performance and compensation packages available in the marketplace for similar positions. In arriving at amounts for each component of compensation, our Compensation Committee strives to strike an appropriate balance between base compensation and incentive compensation. The Compensation Committee also endeavors to properly allocate between cash and non-cash compensation and between annual and long-term compensation.

The Role of Stockholder Say-on-Pay Votes .

At our annual meeting of stockholders held on August 16, 2011, approximately 97.0% of the stockholders who voted on the "say-on-pay" proposal approved the compensation of our named executive officers, as disclosed in the proxy statement. Although this advisory stockholder vote on executive compensation is non-binding, the Compensation Committee will consider the outcome of the vote when making future compensation decisions for named executive officers.

Base Salary

We provide executive officers and other employees with base salary to compensate them for services rendered during the fiscal year. Subject to the provisions contained in employment agreements with executive officers concerning base salary amounts, base salaries of the executive officers are established based upon compensation data of comparable companies in our market, the executive's job responsibilities, level of experience, individual performance and contribution to the business. We believe it is important to provide adequate fixed compensation to highly qualified executives in our competitive industry. In making base salary decisions, the Compensation Committee uses its discretion and judgment based upon personal knowledge of industry practice but does not apply any specific formula to determine the base salaries for the executive officers.

Equity-Based Awards—Equity Compensation Plans

The Compensation Committee uses equity awards, usually in the form of stock options, primarily to motivate our named executive officers to realize benefits from longer-term strategies that increase stockholder value, and to promote commitment and retention. Equity awards vest upon the achievement of performance criteria that we believe is critical to our long-term success.

The Compensation Committee believes that stock options are an important form of long-term incentive compensation because they align executive officer's interests with the interests of stockholders, since the options have value only if our stock price increases over time. From time to time, the Compensation Committee may consider circumstances that warrant the grant of full value awards such as restricted stock units. Examples of these circumstances include, among others, attracting a new executive to the team; recognizing a promotion to the executive team; retention; and rewarding outstanding long-term contributions.

Our equity grant practices require that stock options and other equity compensation have prices determined based on at least the fair market value on the date of grant. The fair market value of our stock option awards has historically been the NASDAQ closing price on the date of grant.

Retirement Savings Plan

We maintain a retirement savings plan for the benefit of our executives and employees. Our Simple IRA Plan is intended to qualify as a defined contribution arrangement under the Internal Revenue Code (the "Code"). Participants may elect to defer a percentage of their eligible pretax earnings each year or contribute a fixed amount per pay period up to the maximum contribution permitted by the Code. All participants' plan accounts are 100% vested at all times. All assets of our Simple IRA Plan are currently invested, subject to participant-directed elections, in a variety of mutual funds chosen from time to time by the Plan Administrator. Distribution of a participant's vested interest generally occurs upon termination of employment, including by reason of retirement, death or disability. We make certain matching contributions to the Simple IRA Plan.

Perquisites and Other Personal Benefits

Our executive officers participate in our other benefit plans on the same terms as other employees. These plans include medical, dental, life and disability insurance. Relocation benefits also are reimbursed and are individually negotiated when they occur. We reimburse each executive officer for all reasonable business and other expenses incurred by them in connection with the performance of their duties and obligations under their employment agreements. We do not provide named executive officers with any significant perquisites or other personal benefits except for an auto for each executive's business use.

He previously served under the title "Executive V.P. and Director of Technology." His previous employment agreement expired on February 1, 2012. The new agreement has a term of two years and provides for an annual base salary of \$230,000 for the first year of the term and an annual base salary of \$240,000 for the second year of the term. Under the terms of his Employment Agreement, Mr. Marshall is bound to a confidentiality provision and cannot compete with us upon the expiration of his Employment Agreement.

The employment agreements of Messrs. Langan, Reese and Marshall each provide that, in the event we terminate such employee without cause or such employee terminates his employment because we reduce or fail to pay his compensation or materially change his responsibilities, such employee is entitled to receive in one lump sum payment the full remaining amount under the term of his employment agreement to which he would have been entitled had his agreement not been terminated.

We have not established long-term incentive plans or defined benefit or actuarial plans.

EMPLOYEE STOCK OPTION PLANS

While we have been successful in attracting and retaining qualified personnel, we believe that our future success will depend in part on our continued ability to attract and retain qualified personnel. We pay wages and salaries that we believe are competitive. We also believe that equity ownership is an important factor in our ability to attract and retain skilled personnel. We have adopted stock option plans (the "Plans") for employees and directors. The purpose of the Plans is to further our interests and the interests of our subsidiaries and stockholders by providing incentives in the form of stock options to key employees and directors who contribute materially to our success and profitability. The grants recognize and reward outstanding individual performances and contributions and will give such persons a proprietary interest in us, thus enhancing their personal interest in our continued success and progress. The Plans also assist us and our subsidiaries in attracting and retaining key employees and directors. The Plans are administered by the Board of Directors. The Board of Directors has the exclusive power to select the participants in the Plans, to establish the terms of the options granted to each participant, provided that all options granted shall be granted at an exercise price equal to at least 85% of the fair market value of the common stock covered by the option on the grant date and to make all determinations necessary or advisable under the Plans.

In August 1999, we adopted the 1999 Stock Option Plan (the “1999 Plan”) with 500,000 shares authorized to be granted and sold under the 1999 Plan. In August 2004, stockholders approved an Amendment to the 1999 Plan (the “Amendment”) which increased the total number of shares authorized to 1 million. In July 2007, stockholders approved an Amendment to the 1999 Plan (the “Amendment”), which increased the total number of shares authorized to 1.5 million. The 1999 Plan was terminated by law in July 2009. Our Board of Directors approved the 2010 Stock Option Plan on September 30, 2010. The 2010 Plan was approved by our stockholders for adoption at the 2011 Annual Meeting of Stockholders. As of September 30, 2012, there are 785,000 stock options outstanding.

COMPENSATION POLICIES AND PRACTICES AS THEY RELATE TO RISK MANAGEMENT

We attempt to make our compensation programs discretionary, balanced and focused on the long term. We believe goals and objectives of our compensation programs reflect a balanced mix of quantitative and qualitative performance measures to avoid excessive weight on a single performance measure. Our approach to compensation practices and policies applicable to employees and consultants is consistent with that followed for its executives. Based on these factors, we believe that our compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on us.

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own beneficially more than ten percent of our common stock, to file reports of ownership and changes of ownership with the SEC. Based solely upon a review of Forms 3, 4 and 5 furnished to us during the fiscal year ended September 30, 2012, we believe that the directors, executive officers, and greater than ten percent beneficial owners have complied with all applicable filing requirements during the fiscal year ended September 30, 2012, with the exception of four members of our Board of Directors, including Anakar Nour-Dean, Luke Lirot, Stephen Jenkins and Robert Watters, who each were late in the filing of a Form 4.

PROPOSAL 2 **TO RATIFY THE SELECTION OF WHITLEY PENN LLP AS OUR INDEPENDENT REGISTERED** **PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2013**

The Board of Directors has selected Whitley Penn LLP as our independent registered public accounting firm for the current fiscal year. Although not required by law or otherwise, the selection is being submitted to our stockholders as a matter of corporate policy for their approval. The Board of Directors wishes to obtain from the stockholders a ratification of their action in appointing their existing independent registered public accounting firm, Whitley Penn LLP for the fiscal year ending September 30, 2013. Such ratification requires the affirmative vote of a majority of the shares of common stock present or represented by proxy and entitled to vote at the Annual Meeting.

In the event the appointment of Whitley Penn LLP as our independent registered public accounting firm is not ratified by the stockholders, the adverse vote will be considered as a direction to the Board of Directors to select another independent registered public accounting firm for the fiscal year ending September 30, 2013. A representative of Whitley Penn LLP is expected to be present at the Annual Meeting with the opportunity to make a statement if he so desires and to respond to appropriate questions. The Board of Directors unanimously recommends a vote **FOR** the ratification of Whitley Penn LLP as our independent registered public accounting firm for fiscal year ending September 30, 2013.

The following table sets forth the aggregate fees paid or accrued for professional services and the aggregate fees paid or accrued for audit-related services and all other services rendered by Whitley Penn LLP for the audit of our annual financial statements for fiscal years 2012, 2011 and 2010.

Audit fees	\$ 266	\$ 261	\$ 260
Audit-related fees	120	-	-
Tax fees	63	67	65
All other fees	-	-	-
Total	<u>\$ 449</u>	<u>\$ 328</u>	<u>\$ 325</u>

The category of “Audit-related fees” includes acquisition audits, internal control reviews and accounting consultation.

The category of “Tax fees” includes consultation related to corporate development activities.

All above audit services, audit-related services and tax services were pre-approved by the Audit Committee, which concluded that the provision of such services by Whitley Penn LLP was compatible with the maintenance of that firm’s independence in the conduct of its auditing functions. The Audit Committee’s outside auditor independence policy provides for pre-approval of all services performed by the outside auditors.

All of the work expended by Whitley Penn LLP described above was attributed to work performed by Whitley Penn LLP’s full-time, permanent employees.

Dear Fellow Stockholders:

Our company had another record year in 2012, continuing our pattern of strong growth in all of our key measurements. We had revenues of \$95.2 million for our fiscal year ended September 30, 2012, a 14% increase over the \$83.5 million in 2011. This was our third consecutive year of double-digit growth during a recessionary period.

Net income per non-GAAP* accounting was \$10.5 million compared with GAAP net income of \$7.6 million and non-GAAP fully diluted income per share was \$1.08 compared with GAAP EPS of 78 cents. The non-GAAP figures are a good way to look at our actual performance, because they look primarily at operating activities. Income for 2012 was impacted by several important decisions that we took to assure future growth, including costs associated with the acquisition of 11 clubs and the resolution of several lawsuits.

As we move forward we are fully focused on achieving our goal of 20-30% annual growth in each of the years ahead. In addition to the acquisition of 11 Jaguars clubs – for which we used only \$4 million in cash – we are in the process of opening a second club in New York City and a new club in Los Angeles County. Both will be branded as “Vivid Cabaret” under an agreement with the leading adult film studio, which will take an active role in promotion and marketing. We currently have several more acquisition targets in various stages of review or negotiation. We are delighted with the early success of our non-adult diversification strategy that now includes the Vee Lounge, an “ultra” club in Fort Worth; Bombshells, a restaurant and nightclub in Dallas where the beautiful wait-staff is part of the attraction; and the soon-to-open Ricky Bobby Sports Saloon, an auto racing-themed club in Fort Worth.

I think it is important for our stockholders to look at our cash-flow and our debt position. Cash flow from operations in fiscal 2012 was \$18.4 million, and this strong trend is also continuing. We made \$8.4 million in debt reduction repayments in 2012. We added approximately \$30 million debt in connection with acquisitions in 2012. We are also very pleased that in 2012 we made our final put option payment. In the last two years, we bought back about \$6.5 million of our stock on those put options issued in 2008 and 2009.

We are exploring a variety of steps to further unlock stockholder value, including increased stock buy backs. We will continue to grow the company with multiple strategies: through acquisitions, trying new concepts, continuing to expand the existing business, and by returning consistent quarterly performance. We are also working with investment banks on another important step to release our hidden real estate value.

As always, I want to take a moment to thank our management, staff and the tremendous cadre of entertainers who make the Rick's Cabaret establishments the best in their class. And, I want to thank our stockholders for your support and investment – you make it possible for us to grow the company and to move forward as we enhance value.

Sincerely,
