Stockholder Communications

We do not currently have a process for security holders to send communications to the Board of Directors, which we believe is appropriate based on our size, the limited number of our stockholders and the limited number of communications which we receive. Stockholders can direct communications to our Chief Executive Officer, Eric Langan at our executive offices, 10959 Cutten Road, Houston, Texas 77066. We attempt to address stockholder questions and concerns in our press releases and documents filed with the SEC so that all stockholders have access to information about the Company at the same time. Mr. Langan collects and evaluates all stockholder communications. If the communication is directed to the Board of Directors generally or to a specific director, Mr. Langan will disseminate the communications to the appropriate party at the next scheduled Board of Directors meeting. If the communication requires a more urgent response, Mr. Langan will direct that communication to the appropriate executive officer or director. All communications addressed to our directors and executive officers will be reviewed by those parties unless the communication is clearly frivolous.

DIRECTOR COMPENSATION

EMPLOYEE STOCK OPTION PLANS

While we have been successful in attracting and retaining qualified personnel, we believe that our future success will depend in part on our continued ability to attract and retain highly qualified personnel. We pay wages and salaries that we believe are competitive. We also believe that equity ownership is an important factor in our ability to attract and retain skilled personnel. We have adopted stock option plans (the "Plans") for employees and directors. The purpose of the Plans is to further our interests, our subsidiaries and our stockholders by providing incentives in the form of stock options to key employees and directors who contribute materially to our success and profitability. The grants recognize and reward outstanding individual performances and contributions and will give such persons a proprietary interest in us, thus enhancing their personal interest in our continued success and progress. The Plans also assist us and our subsidiaries in attracting and retaining key employees and directors. The Plans are administered by the Board of Directors. The Board of Directors has the exclusive power to select the participants in the Plans, to establish the terms of the options granted to each participant, provided that all options granted shall be granted at an exercise price equal to at least 85% of the fair market value of the common stock covered by the option on the grant date and to make all determinations necessary or advisable under the Plans.

In August 1999, we adopted the 1999 Stock Option Plan (the “1999 Plan”) with 500,000 shares authorized to be granted and sold under the 1999 Plan. In August 2004, stockholders approved an Amendment to the 1999 Plan (the “Amendment”) which increased the total number of shares authorized to 1,000,000. In July 2007, stockholders approved an Amendment to the 1999 Plan (the “Amendment”), which increased the total number of shares authorized to 1,500,000. As of September 30, 2008, 420,000 stock options were outstanding under the 1999 Plan. As of June 22, 2009, 648,000 of these stock options have been exercised.

Letter to Shareholders of Rick's Cabaret International, Inc.

From: Eric Langan
Chief Executive Officer

Subject: Fiscal 2008 Results

Dear Fellow Shareholder:

Our fiscal year ending September 30, 2008 saw tremendous growth at Rick's Cabaret by virtually all measurements – revenue, income, cash flow, acquisitions, strength of our management team and wider brand name awareness. We were honored when *Forbes Magazine* chose us as one of the 200 Best Small Companies in America.

In this letter I will outline the ways in which we are benefiting from the strong momentum we established in 2008 and other steps we are taking to keep the company strong and growing. We are demonstrating what I have said for some time – Rick's Cabaret is a “recession resistant” business, but not “recession proof.” We are currently facing the same tests that all businesses in the United States must meet from a faltering economy, high unemployment and related challenges.

Here are a few of the highlights of the 2008 fiscal year:

- Revenues were just under \$60 million (\$59,929,478), an 87.2% increase over the previous year, when our revenues were just over \$32 million. We accomplished this growth both through improvement in the performance of our existing locations and the acquisition of new properties. Even as the economy nationwide slowed our revenues from nightclub operations for same-location same-period increased by 14.6%.
- One benefit of increased revenue, coupled with carefully controlled costs and stronger purchasing power, is that we improved our operating margins (income from operations divided by total revenues) to 22.9% in fiscal 2008, compared to 12.8% for the prior year.
- Our net income increased 151% in 2008 to \$7.66 million. This enabled us to earn 91 cents per fully diluted share of our common stock, compared with 50 cents in the prior year.
- Net cash provided by operating activities amounted to \$14.8 million, compared with just under \$4.4 million in the prior year, and we ended the year with cash and cash equivalents of \$5.6 million, compared with just under \$3 million in the prior year.

Both of our two powerhouse clubs in 2008 -- **Tootsie's Cabaret in Miami Gardens, FL**, and **Rick's Cabaret in New York City** -- continued to contribute strong revenue and profit. As fiscal 2008 ended we took steps to improve the performance of several clubs that have not met our expectations, with encouraging results. For example, we **converted the Rick's Cabaret in Philadelphia to our Club Onyx format**, leading to an immediate increase in revenue and improvement in profit. We **converted the Rick's Cabaret in Dallas to our XTC Cabaret format**, with a similar positive result in revenue and income.

Near the end of fiscal 2008 we acquired the former Scores Cabaret in Las Vegas and re-opened it as a **Rick's Cabaret Las Vegas** . This acquisition coincided with a record-breaking drop in tourist traffic in Las Vegas and general economic downturn nationwide. In order to overcome the impact of the poor economic environment, we fine-tuned our marketing approach and by the second quarter of the current year we were seeing increases in numbers of customers, revenues and income.

Coming out of 2008, our chief focus was to make certain that all of our clubs are performing to their maximum potential. We are doing so through changes in format, pricing, marketing and personnel. We are once again actively evaluating potential acquisition targets, and we anticipate continuing to lead in the consolidation of the adult club industry.

Our success depends on the dedicated contributions of our employees and talented entertainers. We all come to work each day with one goal – making sure that our customers receive the finest gentlemen's club experience anywhere in the country when they visit a Rick's Cabaret, XTC Cabaret, Club Onyx or Tootsie's Cabaret. As we consistently achieve this goal, we all succeed.

Please do not hesitate to contact me with any questions by emailing me at ir@ricks.com. I will get back to you promptly.

Thank you.
