This proxy statement (the "Proxy Statement") is being furnished to stockholders (the "Stockholders") in connection with the solicitation of proxies by the Board of Directors of Rick's Cabaret International, Inc., a Texas corporation (the "Company") for their use at the Annual Meeting (the "Annual Meeting") of Stockholders of the Company to be held at 410 N. This Proxy Statement and the accompanying form of proxy (the "Proxy") are first being mailed to Stockholders on or about June 27, 2007. The cost of solicitation of proxies is being borne by the Company.

The close of business on June 8, 2007, has been fixed as the record date for the determination of Stockholders entitled to notice of and to vote at the Annual Meeting and any adjournment thereof. As of the record date, there were 6,150,279 shares of the Company's common stock, par value \$0.01 per share (the "Common Stock"), issued and outstanding. The presence, in person or by proxy, of a majority of the outstanding shares of Common Stock on the record date is necessary to constitute a quorum at the Annual Meeting. Each share is entitled to one vote on all issues requiring a Stockholder vote at the Annual Meeting. Each nominee for Director named in Proposal Number 1 must receive a majority of the votes cast in person or by proxy in order to be elected. Stockholders may not cumulate their votes for the election of Directors. The affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting is required for the ratification of Proposal Number 2 and approval of Proposal Number 3 as set forth in the accompanying Notice.

All shares represented by properly executed proxies, unless such proxies previously have been revoked, will be voted at the Annual Meeting in accordance with the directions on the proxies. If no direction is indicated, the shares will be voted **(i) FOR THE ELECTION OF THE SIX (6) NOMINEES NAMED HEREIN, (ii) FOR THE RATIFICATION OF WHITLEY PENN LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING SEPTEMBER 30, 2007, AND (iii) FOR THE APPROVAL OF THE SECOND AMENDMENT TO THE 1999 STOCK OPTION PLAN.** The Board of Directors is not aware of any other matters to be presented for action at the Annual Meeting. However, if any other matter is properly presented at the Annual Meeting, it is the intention of the persons named in the enclosed proxy to vote in accordance with their best judgment on such matters.

The enclosed Proxy, even though executed and returned, may be revoked at any time prior to the voting of the Proxy (a) by execution and submission of a revised proxy, (b) by written notice to the Secretary of the Company, or (c) by voting in person at the Annual Meeting.

RELATED TRANSACTIONS

Our Board of Directors has adopted a policy that our business affairs will be conducted in all respects by standards applicable to publicly held corporations and that we will not enter into any future transactions and/or loans between us and our officers, directors and 5% stockholders unless the terms are no less favorable than could be obtained from independent, third parties and will be approved by a majority of our independent and disinterested directors. In our view, all of the transactions described below meet this standard.

In May 2002, we loaned \$100,000 to Eric Langan who is our Chief Executive Officer. The promissory note is unsecured, bears interest at 11% and is amortized over a period of ten years. The note contains a provision that in the event Mr. Langan leaves the Company for any reason, the note immediately becomes due and payable in full. The balance of the note was \$63,355 as of June 8, 2007, and is included in other assets in our balance sheet.

On July 22, 2005, we issued a Secured Convertible Debenture to Ralph McElroy, a greater than 10% stockholder of the Company, for the principal sum of \$660,000 bearing interest at the rate of 12% per annum, with a maturity date of August 1, 2008. Under the terms of the Debenture, we are required to make monthly interest payments beginning September 1, 2005. We have the right to redeem the Debenture in whole or in part at any time during the term of the Debenture. At the election of the Holder, the Holder has the right to require the Debenture to be repaid in thirty (30) equal monthly installments commencing February 2006. The Holder has the option to convert all or any portion of the principal amount of the Debenture into shares of our common stock at a rate of \$3.00 per share, subject to adjustment under certain conditions. The Debenture provides, absent stockholder approval, that the number of shares of our common stock that may be issued by us or acquired by the Holder upon conversion of the Debenture shall not exceed 19.99% of the total number of issued and outstanding shares of our common stock. The Debenture is secured by certain of our assets. Additionally, we issued Mr. McElroy a Warrant to purchase 50,000 shares of our common stock at an exercise price of \$3.00 per share until July 22, 2008. The shares of Common Stock underlying the principal amount of the Debenture and the Warrants have piggyback registration rights.

On April 28, 2006, we entered into convertible debentures with three stockholders, one of which is a greater than 10% stockholder, for a principal sum of \$825,000. The term is for two years and the interest rate is 12% per annum. At the election of the holders, the holders have the right to convert (subject to certain limitations) all or any portion of the principal amount of the debentures into shares of our common stock at a rate of \$6.55 per share, which approximates the closing price of our stock on April 28, 2006. The debentures provide, absent stockholder approval, that the number of shares of our common stock that may be issued by us or acquired by the holders upon conversion of the debentures shall not exceed 19.99% of the total number of issued and outstanding shares of our common stock. The shares of Common Stock underlying the principal amount of the debentures had piggyback registration rights and were registered with SEC in June 2006. The proceeds of the debentures were used for the acquisition of Joint Ventures, Inc.

On November 9, 2006, we entered into convertible debentures with three stockholders for a principal sum of \$600,000. The term is for two years and the interest rate is 12% per annum. At the election of the holders, the holders have the right to convert (subject to certain limitations) all or any portion of the principal amount of the debentures into shares of our common stock at a rate of \$7.50 per share, which approximates the closing price of our stock on November 9, 2006. The debentures provide, absent stockholder approval, that the number of shares of our common stock that may be issued by us or acquired by the holders upon conversion of the debentures shall not exceed 19.99% of the total number of issued and outstanding shares of our common stock. The proceeds of the debentures were used for the acquisition of a 51% ownership interest of Playmates Gentlemen's Club LLC.

COMMITTEES OF THE BOARD OF DIRECTORS

We have an Audit Committee of independent directors whose members are Robert L. Watters, Alan Bergstrom and Steven Jenkins. The Audit Committee held five (5) meetings during the fiscal year ended September 30, 2006. In May 2000, our Board of Directors adopted a Charter for the Audit Committee. The Charter establishes the independence of our Audit Committee and sets forth the scope of our Audit Committee's duties. The purpose of our Audit Committee is to conduct continuing oversight of our financial affairs. Our Audit Committee conducts an ongoing review of our financial reports and other financial information prior to their being filed with the Securities and Exchange Commission, or otherwise provided to the public. Our Audit Committee also reviews our systems, methods and procedures of internal controls in the areas of: financial reporting, audits, treasury operations, corporate finance, managerial, financial and SEC accounting, compliance with law, and ethical conduct. Our Audit Committee is objective, and reviews and assesses the work of our independent registered public accounting firm.

All of our Audit Committee members are independent Directors. The Board of Directors elects the members of our Audit Committee annually. The members serve until their successors are duly elected and qualified. All members of the Audit Committee are free from any relationship that could conflict with member's independent judgment. All members are able to read and understand fundamental financial statements, including a balance sheet, income statement, and cash flow statement. At least one member has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background, including a current or past position as a chief executive or financial officer or other senior officer with financial oversight responsibilities. Steven L. Jenkins serves as Chairman of the Audit Committee, having been elected by the members of our Audit Committee. Steven L. Jenkins serves as the Audit Committee's Financial Expert, having been elected by a unanimous vote of the members of our Audit Committee. The Audit Committee Charter was previously filed as an exhibit to our Proxy Statement filed with the Securities and Exchange Commission on June 3, 2005, and can be found on our website at www.ricks.com.

We have a Nominating Committee composed of independent directors Robert L. Watters, Alan Bergstrom and Steven L. Jenkins. The Nominating Committee held one (1) meeting during the fiscal year ended September 30, 2006. In July 2004, the Board unanimously adopted a Charter with regard to the process to be used for identifying and evaluating nominees for director. The Charter establishes the independence of our Nominating Committee and sets forth the scope of the Nominating Committee's duties. The Nominating Committee Charter can be found on our website at www.ricks.com.

We have a Compensation Committee whose members are Robert Watters, Alan Bergstrom and Steven L. Jenkins. The Compensation Committee held one (1) meeting during the fiscal year ended September 30, 2006. The primary purpose of the Compensation Committee is to evaluate and review the compensation of executive officers.

COMPLIANCE WITH SECTION 16(a) OF THE SECURITIES EXCHANGE ACT OF 1934

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own beneficially more than ten percent of our common stock, to file reports of ownership and changes of ownership with the Securities and Exchange Commission. Based solely on the reports we have received and on written representations from certain reporting persons, we believe that the directors, executive officers, and greater than ten percent beneficial owners have complied with all applicable filing requirements, with the exception of one late filing for Ralph McElroy, a greater than 10% stockholder.

CODE OF ETHICS

We have adopted a code of ethics for our Principal Executive and Senior Financial Officers, a copy of which was attached as Exhibit 14.1 to our Annual Report on Form 10-KSB for the fiscal year ending September 30, 2006. A copy of the 2006 Annual Report is being provided to all Stockholders along with this Proxy Statement.

Stockholder Communications

We do not currently have a process for security holders to send communications to the Board of Directors, which we believe is appropriate based on our size, the limited number of our stockholders and the limited number of communications which we receive. However, we welcome comments and questions from our stockholders. Stockholders can direct communications to our Chief Executive Officer, Eric Langan at our executive offices, 10959 Cutten Road, Houston, Texas 77066. While we appreciate all comments from stockholders, we may not be able to individually respond to all communications. We attempt to address stockholder questions and concerns in our press releases and documents filed with the SEC so that all stockholders have access to information about the Company at the same time. Mr. Langan collects and evaluates all stockholder communications. If the communication is directed to the Board of Directors generally or to a specific director, Mr. Langan will disseminate the communications to the appropriate party at the next scheduled Board of Directors meeting. If the communication requires a more urgent response, Mr. Langan will direct that communication to the appropriate executive officer or director. All communications addressed to our directors and executive officers will be reviewed by those parties unless the communication is clearly frivolous.

The following table reflects all forms of compensation for services to us for the fiscal years ended September 30, 2006 and 2005 of certain executive officers. No other executive officer of ours received compensation that exceeded \$100,000 during fiscal 2006. Mr. Langan is Chairman of the Board, a Director, Chief Executive Officer, and President. EMPLOYEE STOCK OPTION PLANS

While we have been successful in attracting and retaining qualified personnel, we believe that our future success will depend in part on our continued ability to attract and retain highly qualified personnel. We pay wages and salaries that we believe are competitive. We also believe that equity ownership is an important factor in our ability to attract and retain skilled personnel. We have adopted Stock Option Plans for employee and directors. The purpose of the Plans is to further our interests, our subsidiaries and our stockholders by providing incentives in the form of stock options to key employees and directors who contribute materially to our success and profitability. The grants recognize and reward outstanding individual performances and contributions and will give such persons a proprietary interest in the Company, thus enhancing their personal interest in our continued success and progress. The Plans also assist the Company and our subsidiaries in attracting and retaining key employees and directors. The Plans are administered by the Board of Directors. The Board of Directors has the exclusive power to select the participants in the Plans, to establish the terms of the options granted to each participant, provided that all options granted shall be granted at an exercise price equal to at least 85% of the fair market value of the common stock covered by the option on the grant date and to make all determinations necessary or advisable under the Plans.

In 1995 we adopted the 1995 Stock Option Plan. A total of 300,000 shares may be granted and sold under the 1995 Plan. As of September 30, 2001, a total of 167,500 stock options had been granted and are outstanding under the Plan, none of which have been exercised. We do not plan to issue any additional options under the 1995 Plan.

In August 1999 we adopted the 1999 Stock Option Plan (the "1999 Plan") with 500,000 shares authorized to be granted and sold under the 1999 Plan. APPROVAL OF SECOND AMENDMENT TO 1999 STOCK OPTION PLAN

The Board of Directors unanimously recommends a vote **FOR** the approval of the Second Amendment to the 1999 Stock Option Plan (the “Second Amendment”). The Second Amendment provides for the increase in the number of shares that may be optioned and sold under the Plan from 1,000,000 to 1,500,000. This increase in the number of shares is the only proposed change to the Plan; all other terms of the Plan remain unchanged. The Second Amendment will become effective upon stockholder approval. The affirmative vote of a majority of the shares of Common Stock present or represented by proxy and entitled to vote at the Annual Meeting is required for the approval of Proposal 3. Stockholder approval will make the Plan a tax-qualified plan. The Second Amendment is attached hereto as Attachment “A.”

SECOND AMENDMENT TO 1999 STOCK OPTION PLAN

Pursuant to Section 16 of the Plan, the Board of Directors adopted the Second Amendment for eligible employees and non-employee consultants of the Company and its subsidiaries to increase the number of shares that may be optioned and sold under the Plan from 1,000,000 to 1,500,000 on June 7, 2007. The purpose of the Plan is to further our interests, our subsidiaries and our stockholders by providing incentives in the form of stock options to key employees and non-employee consultants who contribute materially to our success and profitability. The grants recognize and reward outstanding individual performances and contributions and will give such persons a proprietary interest in us, thus enhancing their personal interest in our continued success and progress. The Second Amendment also assists us and our subsidiaries in attracting and retaining key employees and non-employee consultants.

The following sets forth certain terms and conditions of the Plan.

(b) If no Committee has been appointed, members of the Board may vote on any matters affecting the administration of the Plan or the grant of any Option pursuant to the Plan, except that no such member shall act on the granting of an Option to himself, but such member may be counted in determining the existence of a quorum at any meeting of the Board during which action is taken with respect to the granting of Options to him.

Subject to the terms of this Plan, the Committee has the sole and exclusive power to:

- (i) select the participants in this Plan;

- (vi) determine the minimum number of shares with respect to which Options may be exercised in part at any time.

(c) The Committee has the sole and absolute discretion to determine whether the performance of an eligible Employee warrants an award under this Plan, and to determine the amount of the award.

(d) The Committee has full and exclusive power to construe and interpret this Plan, to prescribe and rescind rules and regulations relating to this Plan, and take all actions necessary or advisable for the Plan's administration. Any such determination made by the Committee will be final and binding on all persons.

A member of the Committee will not be liable for performing any act or making any determination in good faith.

2. **Shares Subject to Option.** Subject to the provisions of Paragraph 11 of the Plan, the maximum aggregate number of Shares that may be optioned and sold under the Plan shall be increased from 1,000,000 to 1,500,000 upon stockholder approval. Such shares may be authorized but unissued, or may be treasury shares. If an Option shall expire or become unexercisable for any reason without having been exercised in full, the unpurchased Shares that were subject to the Option shall, unless the Plan has then terminated, be available for other Options under the Plan.

3. **Nonqualified and Incentive Stock Options** . Any Option not intended to qualify as an Incentive Stock Option shall be a Nonqualified Stock Option. Nonqualified Stock Options shall satisfy each of the requirements of the Plan. An Option intended to qualify as an Incentive Stock Option, but which does not meet all the requirements of an Incentive Stock Option shall be treated as a Nonqualified Stock Option.

 - (i) Disability. In the event of termination of Continuous Service due to total and permanent disability (within the meaning of Section 422 of the Code), the Option shall lapse at the earlier of the end of the Option Period or twelve months after the date of such termination, provided, however, the Option can be exercised at the time the Optionee became disabled, subject to any adjustment under Sections 5(d) and 11.
6. **Incentive Stock Options**. Any Options intended to qualify as an Incentive Stock Option shall satisfy the following requirements in addition to the other requirements of the Plan:
- (a) Ten Percent Shareholders. An Option intended to qualify as an Incentive Stock Option granted to an individual who, on the Date of Grant, owns stock possessing more than ten (10) percent of the total combined voting power of all classes of stock of either the Company or any Parent or Subsidiary, shall be granted at a price of 110 percent of Fair Market Value on the Date of Grant and shall be exercised only during the five-year period immediately following the Date of Grant. In calculating stock ownership of any person, the attribution rules of Section 425(d) of the Code will apply. Furthermore, in calculating stock ownership, any stock that the individual may purchase under outstanding options will not be considered.
 - (b) Limitation on Incentive Stock Options. The aggregate Fair Market Value, determined on the date of Grant, of stock in the Company exercisable for the first time by any Optionee during any calendar year, under the Plan and all other plans of the Company or its Parent or Subsidiaries (within the meaning of Subsection (d) of Section 422 of the Code) in any calendar year shall not exceed \$100,000.00.

(c) Exercise of Incentive Stock Options. No disposition of the shares underlying an Incentive Stock Option may be made within two years from the Date of Grant nor within one year after the exercise of such incentive Stock Option.

(d) Approval of Amendment. No Option shall qualify as an Incentive Stock Option unless this Amendment is approved by the shareholders within one year of the Plan's adoption by the Board.

7. Nonqualified and Incentive Stock Options. Any Option not intended to qualify as an Incentive Stock Option shall be a Nonqualified Stock Option. Nonqualified Stock Options shall satisfy each of the requirements of Section 5 of the Plan. An Option intended to qualify as an Incentive Stock Option, but which does not meet all the requirements of an Incentive Stock Option shall be treated as a Nonqualified Stock Option.

8. Method of Exercise. An Option granted under this Plan shall be deemed exercised when the person entitled to exercise the Option (i) delivers written notice to the President of the Company of the decision to exercise, (ii) concurrently tenders to the Company full payment for the Shares to be purchased pursuant to the exercise, and (iii) complies with such other reasonable requirements as the Committee establishes pursuant to Section 3 of the Plan. During the lifetime of the Employee to whom an Option is granted, such Option may be exercised only by him. Payment for Shares with respect to which an Option is exercised may be in cash, or by certified check, or wholly or partially in the form of Common Stock of the Company having a fair market value equal to the Option Price. No person will have the rights of a shareholder with respect to Shares subject to an Option granted under this Plan until a certificate or certificates for the Shares have been delivered to him.

An Option granted under this Plan may be exercised in increments of not less than 10% of the full number of Shares as to which it can be exercised. A partial exercise of an Option will not affect the holder's right to exercise the Option from time to time in accordance with this Plan as to the remaining Shares subject to the Option.

9. Taxes. Compliance with Law: Approval of Regulatory Bodies. The Company, if necessary or desirable, may pay or withhold the amount of any tax attributable to any Shares deliverable or amounts payable under this Plan, and the Company may defer making delivery or payment until it is indemnified to its satisfaction for the tax. Options are exercisable, and Shares can be delivered and payments made under this Plan, only in compliance with all applicable federal and state laws and regulations, including, without limitation, state and federal securities laws, and the rules of all stock exchanges on which the Company's stock is listed at any time. An Option is exercisable only if either (i) a registration statement pertaining to the Shares to be issued upon exercise of the Option has been filed with and declared effective by the Securities and Exchange Commission and remains effective on the date of exercise, or (ii) an exemption from the registration requirements of applicable securities laws is available. This plan does not require the Company, however, to file such registration statement or to assure the availability of such exemptions. Any certificate issued to evidence Shares issued under the Plan may bear such legends and statements, and shall be subject to such transfer restrictions, as the Committee deems advisable to assure compliance with federal and state laws and regulations and with the requirements of this Section 9 of the Plan. No Option may be exercised, and no Shares may be issued under this Plan, until the Company has obtained the consent or approval of every regulatory body, federal or state, having jurisdiction over such matter as the Committee deems advisable.

Each Person who acquires the right to exercise an Option by bequest or inheritance may be required by the Committee to furnish reasonable evidence of ownership of the Option as a condition to his exercise of the Option. In addition, the Committee may require such consents and release of taxing authorities as the Committee deems advisable.

10. **Assignability**. An Option granted under this Plan is not transferable except by will or the laws of descent and distribution. The Option may be exercised only by the Optionee during the life of the Optionee. More particularly, but without limitation of the foregoing, the Option may not be assigned or transferred except as provided above and shall not be assignable by operation of law and shall not be subject to execution, attachment or similar process. Any attempted assignment, transfer or distribution contrary to the provisions hereof shall be null and void and without effect.
11. **Adjustment Upon Change of Shares**. If a reorganization, merger, consolidation, reclassification, recapitalization, combination or exchange of shares, stock split, stock dividend, rights offering, or other expansion or contraction of the Common Stock of the Company occurs, the number and class of Shares for which Options are authorized to be granted under this Plan, the number and class of Shares then subject to Options previously granted under this Plan, and the price per Share payable upon exercise of each Option outstanding under this Plan shall be equitably adjusted by the Committee to reflect such changes. To the extent deemed equitable and appropriate by the Committee or the Board, subject to any required action by shareholders, in any merger, consolidation, reorganization, liquidation or dissolution, any Option granted under the Plan shall pertain to the securities and other property to which a holder of the number of Shares of stock covered by the Option would have been entitled to receive in connection with such event.
12. **Accelerations of Options Upon Change in Control**. In the event that a Change of Control has occurred with respect to the Company, any and all Options will become fully vested and immediately exercisable with such acceleration to occur without the requirement of any further act by either the Company or the participant, subject to Section 9 hereof.
13. **Liability of the Company**. The Company, its Parent and any Subsidiary that is in existence or hereafter comes into existence shall not be liable to any person for any tax consequences expected but not realized by an Optionee or other person due to the exercise of an Option.

14. **Expenses of Plan** . The Company shall bear the expenses of administering the Plan.
15. **Duration of Plan** . Options may be granted under this Plan only within 10 years from the original effective date of the Plan.
16. **Amendment, Suspension or Termination of Plan** . The Board of Directors of the Company may amend, terminate or suspend this Plan at any time, in its sole and absolute discretion; provided, however, that to the extent required to qualify this Plan under Rule 16b-3 promulgated under Section 16 of the Exchange Act, no amendment that would (a) materially increase the number of shares of Stock that may be issued under this Plan, (b) materially modify the requirements as to eligibility for participation in this Plan, or (c) otherwise materially increase the benefits accruing to participants under this Plan, shall be made without the approval of the Company's shareholders; provided further, however, that to the extent required to maintain the status of any Incentive Option under the Code, no amendment that would (a) change the aggregate number of shares of Stock which may be issued under Incentive Options, (b) change the class of employees eligible to receive Incentive Options, or (c) decrease the Option price for Incentive Options below the Fair Market Value of the Stock at the time it is granted, shall be made without the approval of the Company's shareholders. Subject to the preceding sentence, the Board of Directors shall have the power to make any changes in the Plan and in the regulations and administrative provisions under it or in any outstanding Incentive Option as in the opinion of counsel for the Company may be necessary or appropriate from time to time to enable any Incentive Option granted under this Plan to continue to qualify as an incentive stock option or such other stock option as may be defined under the Code so as to receive preferential federal income tax treatment. Notwithstanding the foregoing, no amendment, suspension or termination of the Plan shall act to impair or extinguish rights in Options already granted at the date of such amendment, suspension or termination.
17. **Forfeiture** . Notwithstanding any other provisions of this Plan, if the Committee finds by a majority vote after full consideration of the facts that an Eligible Person, before or after termination of his employment with the Company or an Affiliate for any reason (a) committed or engaged in fraud, embezzlement, theft, commission of a felony, or proven dishonesty in the course of his employment by the Company or an Affiliate, which conduct damaged the Company or Affiliate, or disclosed trade secrets of the Company or an Affiliate, or (b) participated, engaged in or had a material, financial or other interest, whether as an employee, officer, director, consultant, contractor, shareholder, owner, or otherwise, in any commercial endeavor anywhere which is competitive with the business of the Company or an Affiliate without the written consent of the Company or Affiliate, the Eligible Person shall forfeit all outstanding Options, including all exercised Options and other situations pursuant to which the Company has not yet delivered a stock certificate. Clause (b) shall not be deemed to have been violated solely by reason of the Eligible Person's ownership of stock or securities of any publicly owned corporation, if that ownership does not result in effective control of the corporation.

The decision of the Committee as to the cause of an Employee's discharge, the damage done to the Company or an Affiliate, and the extent of an Eligible Person's competitive activity shall be final. No decision of the Committee, however, shall affect the finality of the discharge of the Employee by the Company or an Affiliate in any manner.

18. **Indemnification of the Committee and the Board of Directors**. With respect to administration of this Plan, the Company shall indemnify each present and future member of the Committee and the Board of Directors against, and each member of the Committee and the Board of Directors shall be entitled without further act on his part to indemnity from the Company for, all expenses (including attorney's fees, the amount of judgments and the amount of approved settlements made with a view to the curtailment of costs of litigation, other than amounts paid to the Company itself) reasonably incurred by him in connection with or arising out of any action, suit, or proceeding in which he may be involved by reason of his being or having been a member of the Committee and/or the Board of Directors, whether or not he continues to be a member of the Committee and/or the Board of Directors at the time of incurring the expenses, including, without limitation, matters as to which he shall be finally adjudged in any action, suit or proceeding to have been found to have been negligent in the performance of his duty as a member of the Committee or the Board of Directors. However, this indemnity shall not include any expenses incurred by any member of the Committee and/or the Board of Directors in respect of matters as to which he shall be finally adjudged in any action, suit or proceeding to have been guilty of gross negligence or willful misconduct in the performance of his duty as a member of the Committee and the Board of Directors. In addition, no right of indemnification under this Plan shall be available to or enforceable by any member of the Committee and the Board of Directors unless, within 60 days after institution of any action, suit or proceeding, he shall have offered the Company the opportunity to handle and defend same at its own expense. The failure to notify the Company within 60 days shall only affect a Director or committee member's right to indemnification if said failure to notify results in an impairment of the Company's rights or is detrimental to the Company. This right of indemnification shall inure to the benefit of the heirs, executors or administrators of each member of the Committee and the Board of Directors and shall be in addition to all other rights to which a member of the Committee and the Board of Directors may be entitled as a matter of law, contract, or otherwise.
19. **Gender**. If the context requires, words of one gender when used in this Plan shall include the others and words used in the singular or plural shall include the other.
20. **Headings**. Headings of Articles and Sections are included for convenience of reference only and do not constitute part of the Plan and shall not be used in construing the terms of the Plan.
21. **Other Compensation Plans**. The adoption of this Plan or any Amendments shall not affect any other stock option, incentive or other compensation or benefit plans in effect for the Company or any Affiliate, nor shall the Plan preclude the Company from establishing any other forms of incentive or other compensation for employees of the Company or any Affiliate.

22. **Other Options or Awards** . The grant of an Option or Awards shall not confer upon the Eligible Person the right to receive any future or other Options or Awards under this Plan, whether or not Options or Awards may be granted to similarly situated Eligible Persons, or the right to receive future Options or Awards upon the same terms or conditions as previously granted.
- 23 **Governing Law**. The provisions of this Plan shall be construed, administered, and governed under the laws of the State of Texas.

TO OUR SHAREHOLDERS:

Fiscal 2006 was a breakout year for Rick's Cabaret International, Inc. I am happy to report that our momentum has continued into 2007.

Here are some of the highlights of our performance for the fiscal year ending September 30, 2006:

- We had record revenues of \$24.5 million in fiscal 2006, a 65 percent increase over the previous year's total of \$14.8 million.
- We had net income from operations of \$1.8 million compared with a loss of \$.2 million the prior year.
- We earned 38 cents per basic share, compared with a loss of five cents per basic share in fiscal 2005.
- Our flagship cabaret in New York City continued its steady growth.
- We made four acquisitions that are expected to add over \$5 million in revenue on an annualized basis.
- Our newest cabaret concept, Club Onyx, is creating strong brand name awareness in the African-American communities of Houston and Charlotte.
- We streamlined our club management system by instituting a network of highly experienced regional managers, each of whom is responsible for operations and growth strategies at several clubs.

We continue to look at additional acquisitions that fit our business model and will be quickly accretive. In April 2007 we completed the purchase of New Orleans Nights, a popular Ft. Worth nightspot that fits this model. Our goal is to add \$15 million in annualized revenue during the course of calendar 2007. We also signed our first international licensing agreement and Rick's Cabaret-Buenos Aires is expected to open later in 2007. We will receive 10% of gross revenues after value added tax.

Of equal importance to our growth through acquisitions is our continuing ability to improve on our existing club performance. During the year under review, income from continuing operations for our nightclubs for the same-location-same-period increased by 51.26 percent year over year, due to revenue growth as well as more effective cash management and liquor inventory controls. Same club revenues increased by 25.12 percent over the previous year. This figure includes the New York City club, which we opened in September 2005.

The consolidation in the gentlemen's club industry that we predicted several years ago is now underway. Single-club owners are looking seriously at selling their locations and multi-club owners are now merging and forming partnerships. As our operating performance has improved, and as the investment community has become comfortable with our industry, we have begun to attract more institutional investment. We now find it easier to use our equity as an acquisition tool. Sellers are more comfortable viewing our stock as a method of monetizing their assets with a potential upside. By example, we acquired our New York City location in early 2005 using stock conversion prices ranging from \$4 to \$7.50 per share; the Austin transaction that we closed in November 2006 included stock valued at \$8; a private placement of our stock in April 2007 was at \$9.40 per share.

Our mid-term goal continues to be to expand into 30 markets as we make acquisitions by using a combination of cash, stock and debt. As noted, we have begun to extend our presence overseas through a carefully managed brand-licensing program.

I believe that we have the top brands in our industry right now and we will continue to build upon them in the years ahead. When our customers come to Rick's Cabaret, Club Onyx or XTC Cabaret they know they will enjoy a high quality entertainment experience at any of our locations.

As always, we invite our shareholders to visit our clubs to conduct personal due diligence. We are sure you will enjoy the experience. And, please, don't hesitate to contact me through ir@ricks.com with any questions or suggestions.

Sincerely,

/s/ Eric Langan
